EVALUATION OF BIDS/BIDDERS

The Contract shall be awarded to the lowest responsive, responsible Bidder. In determining the lowest responsive and responsible bid, consideration will be given to several factors, including but not limited to price, Mower delivery timeframe, financial responsibility of the bidder, responsiveness to the specifications, and the experience of the Village and other purchasers with the Bidders.

The Village reserves the right to accept any bid, any part or parts thereof, or to reject any and all bids. The Village reserves the right to waive minor informalities or irregularities in the bids received, to accept any bid deemed advantageous to the Village, or to reject any and all bids submitted. Conditional bids, or those which take exception to the ITB documents without prior written approval from the Village, may be considered non-responsive and may be rejected.

The Village award will be made within sixty (60) calendar days after the date of the bid opening, or any mutually agreed extension thereof. Award of the Contract is subject to approval by the Village's Board of Trustees.

The Village may elect to enforce its Local Vendor Purchasing Policy. The Village may also conduct a pre-award facility survey. This survey may include, but is not limited to, determining if the Bidder has the experience, capability, necessary facilities and financial resources to complete the contract in a satisfactory manner within the required time. The Village may make such investigations as it deems necessary to determine the ability of the Bidder to perform the work in conformity with the Contract documents, and the Bidder shall furnish to the Village all such information and data for this purpose as the Village may request.

**VILLAGE OF ORLAND PARK, ILLINOIS
BID #16-013**

LOCAL VENDOR PURCHASING POLICY

The Village believes it is important to provide local vendors with opportunities to provide goods and services to Orland Park. This belief is based upon the fact that the active uses of commercial properties in the Village benefits the community through stabilization of the property tax base, the creation of local sales tax and the provision of employment opportunities for citizens of the community and surrounding region.

In an effort to promote the aforementioned benefits, the Village wishes to provide local vendors with preferential treatment when competing for contracts with the Village. A local vendor is defined as a business that has an actual business location within the corporate boundaries of Orland Park and is licensed by the Village. The Village will not award a contract to a local vendor when the difference between the local vendors bid and the otherwise lowest responsive and responsible bid exceeds the applicable percentage indicated below. As such, when considering contracts, the Village reserves the right to forego the lowest responsive and responsible bid in favor of a local vendor under the following circumstances:

<u>Contract Value</u>	<u>Range (up to a maximum of)</u>
\$0 - \$250,000	2.00%
\$250,000 - 1,000,000	1.50%
\$1,000,000 - 2,000,000	1.00%
Greater than \$2,000,000	\$20,000

Under no circumstance will any contract be awarded to a local vendor when the local vendor's bid exceeds the lowest responsive and responsible bid by \$20,000 or more.

This Policy shall ONLY apply if formal notice of the aforementioned criteria is provided as part of the bid specifications. In addition, it should be noted that the Village shall not be obligated to forego the low bidder in favor of the local vendor under any circumstances. However, this Policy simply provides the Village with the option of doing so when applicable. Furthermore, this Policy shall not apply in any situation where any portion of the contract amount is being paid with funds other than Village monies. Specifically, this Policy shall not apply in any situation where the Village has received a grant or otherwise received a source of funds other than its own funds.
