RE: LAKE LUCILLE

Dear Andy,

The subdivision agreement as drawn by the legal firm of Ash, Anos, Freedman and Logan states that we will make a contribution of \$45,315.00. The agreement further states that \$22,657.50 will be paid at the time of the execution of the agreement and \$22,657.50 at the time a permit is issued. A water contribution of \$1,450.00 is also understood and a water meter with an outside mounted dial will be paid in the amount of \$100.00 per single family residence. We also agree to pay the engineering review fees and inspection fees. The sum of \$7,500.00 shall be paid to reimburse the Village of Orland Park for the maintenance of the Lake Lucille portion and all the items covered in the subdivision agreement.

Please do not hesitate to call if you have any questions.

Very truly yours,
