

Recreation & Parks 2022 Athletic Surfaces and Field Improvements

Basketball/Tennis Court Installation/ Repairs

- Spring Creek Park

Project Scope: Recreation and Parks is proposing the installation of a new tennis court with pickle ball striping. Along with the tennis court we will add two half basketball courts located outside of the tennis court.

- Sunny Pine Park

Resurface asphalt, fill and fix all cracks. Install new court surfacing. Install new basketball rim, backboard, net and pole. Stripe court and possibly stipe hopscotch (if there is applicable space)

Bocce Ball Court Restorations

- Breckenridge Park

Repairs Include:

- Removal of Bocce Ball Courts
- Removal of asphalt between the courts.
- Restore area with seed and erosion blanket to match existing grade.
